L40	Indiana	Small

PYGMAEA		
L37	Snow Princess (white)	Tiny
L38	Helvola (yellow)	Tiny
L39	Rubra (pinky-red)	Tiny

It is recommended that water lily crowns are kept a minimum of 12cm, but ideally 24cm under the water level, and are fed regularly with a suitable fertilizer, due to the high food level they require. Pygmaea crowns should be 5-15cm underwater.

Please Note: - Due to a request from the National Horticultural Society and English Nature, we have stopped selling the following invasive plants: Azolla Caroliniana (Fairymoss); Crassula helmsii; and Myriophyllum Aquaticum. These plants are not good for garden ponds, can completely take over your ponds and can be spread by birds and so are best avoided.

MOISTURE & SHADE LOVING PLANTS

CONDITIONS OF SALE

AVAILABILITY

Plants are offered subject to their being available on receipt of the customers order. In the event of plants not being available at this time, the customer will be advised of an alternative plant of similar value.

PRICE

Although prices are fixed so far as is possible, the right is reserved to alter these during the season should this be necessary.

VAT

We do not charge VAT on any goods or services provided.

CARRIAGE

All prices quoted are exclusive of carriage, which may be charged at cost.

PAYMENT

All goods to be paid for in full on collection. 30 day accounts can be set up for regular customers, please ask for further details.
We accept cash, cheques, account transfer and bankers draft.

COMPLAINTS

All goods supplied are warranted to be good quality stock. It is for the customer to verify this on receipt of the plants and no complaint can be considered unless it is received within 3 days of delivery.

FAILURE

The health of the plants as from the date of delivery is the sole responsibility of the customer. Advice as to the planting and treatment will be provided on request.

CONTRACT

The placing of an order by the customer will be deemed to conclude a legally binding contract incorporating these conditions of sale. All plants remain the property of Bride Valley Nurseries until paid for in full.
